SENATOR DUIS: The reason I ask is that because there is a motion, or rather an ability on General File that a bill be read section by section and have debate. We may skip right beyond that if we don't have some type of an explanation at the present time. I want to know if they are going to be treated as if on General File.

PRESIDENT: Have you recorded your presence? We are under call. Stay in your charis please.

SENATOR BURBACH: Mr. President, I would like to clear up one point that Senator Duis brought up. Before we announce the vote it should be clear in everyones mind that were going to treat them as though they were on General File, and that we do not short circuit any of our responsibilities here. I think that this is a must that we must consider and in all fairness to our responsibility here that they must be handled as if they were on General File. Were under call and were in the middle of a vote. Senator Syas for what purpose do your rise?

SENATOR SYAS: Just to ask the Chair for one ruling. What Senator Burbach said will take a suspension of the rules, you can only suspend the rules on Select File to do that on Monday. You can't make a motion to suspend the rules for Monday now when we a start taking them up, isn't that true Senator Simpson.

SENATOR SIMPSON: (mike not activated)

SENATOR SYAS: In other words you will have to suspend the rules Monday to treat them on Select File as General File. You can't do it today.

PRESIDENT: I think that we had better get this vote going. We don't have a vote. Were talking nonsense unless we have a vote. We are still under vote. Call the roll.

CLERK: Roll called. 30 ayes 8 nays and 11 not voting. Vote appears on page 1932 of the Legislative Journal.

PRESIDENT: Senator Simpson changing from aye to no. Motion carries, the rules are suspended, for the purposes as outlined on the Murphy amendment. Senator Mahoney.

SENATOR MAHONEY: Mr. President, would you once more give the explanation of the Murphy amendment.

PRESIDENT: Alright read the Murphy amendment as amended by Senator F. Lewis.

CLERK: Read amendment.

PRESIDENT: Well lets commence with all of the bills.

CLERK: Mr. Chairman, I move we adjourn, signed Senator Fitzgerald.

PRESIDENT: There is a motion to adjourn. It will be a record vote. Record your vote. Record.
